

Dear Colleagues,

The *International Scientific Conference on Medicine at the University of Latvia* will be held on the 23rd of February, 2018.

For the very first time *all* of the 9 sessions will be in English. Participants will be able to choose between 8 sessions in various disciplines with a total of 72 presentations and 12 special guest lectures. Throughout the entire day, there will be a further 8 poster sessions with 80 poster presentations. A detailed programme has been attached.

We kindly urge you to use this opportunity and register for the conference online until the 21st of February in order to be eligible for a conference certificate and CME credits: <https://luconf.lu.lv/event/3/>
